# AcanthaAndress

Acantha has been modeling for a couple of years, but just recently got into modeling this past year. She has been published in such magazines as Red Hot Kittens, Modelzview/Aqstrashot, Its a Bikini Girls Life USA, and has been in the Swim Rags 2015 calendar, as well as Bikini Magazine's own 2015 calendar, and November 2014 issue. She hopes to pursue more avenues, and is thankful for what she has already accomplished, but gives credit to her much appreciated fans, and publishers. Without them, modeling wouldn't exist.

# DESZARAE PHILLIPS

My name is Deszarae, and I am a 25 year old simple girl. I have 5 miniature pinschers who are my "children" which I love deeply. I enjoy going to car shows, writing, reading, and (of course) Netflix. I have a boyfriend of 4 years, Tyler, who is an amazing man and supports me in all that I do. He's my best friend and I couldn't ask for better. I love food, belly laughs, and sweatpants. If you can make me laugh, I'll automatically like you.. then we can laugh together at my 'Peter Griffin' giggle. I am a

Sr. Certified Pharmacy Technician and I love my job, despite the bad days. I also enjoy being tattooed; it provides me with a sort of release, an escape, that I simply cannot put into words. I'm proud to say that I was born and raised in the fairly small town of Greeneville, TN. I've always loved being able to go outside at night, look into the deep blue-black abyss of the sky, and see hundreds of bright, twinkling stars in the silent air. The crickets are the only thing you can hear,

and it's mesmerizing. That's just something you cannot enjoy in a big city. I do not believe in any sort of organized religion, but I am a firm believer in being a good person. Not everyone is going to treat you fairly, that's life. We all make mistakes daily but learning from them and using the experience to better ourselves is what separates us from all other species. Be good, do good, and beyond that, who cares what anyone else thinks

# Jacque Glade

My name is Jacque. I have lived in San Antonio, Colorado Springs, and St. George. I have a dog named Lucy who I love more than most anything in the world. I want to go to school to be a mechanic and hope to start it within the next year.

# Madeleine Wade

by Bella Photography

I'm A German native who was adopted by an American dad who worked for the Department of Defense. Because of this, I've lived all over the world and even got my start modeling in Korea as a teenager. I've always been passionate about collaborating to create esthetically intriguing visuals, and the natural progression of that

has been to immerse myself in the entertainment field in Los Angeles, primarily working as an actress. I've been extremely lucky to have acted in over 50 movies and t.v. shows, and I have absolutely no desire to slow down now. You can see me in the upcoming Terrence Malick film "Knight of Cups" opposite Christian Bale later this year, as well as starring

in "Mac Daddy's Vegas Adventure" opposite C. Thomas Howell, and co-starring opposite Jonathan Lipnicki in the action comedy "Boone: The Bounty Hunter". I'm also a staunch vegetarian, and a Scorpio. make of that what you will.

# Nailim

Nailim was born and raised in Carolina, Puerto Rico, the Enchanted Island. She ended up moving to Mobile, Alabama, when she was a teenager because her father was offered a great job opportunity.

One of her weaknesses is being able to reach out to people in public. She tends to be a bit shy at first until she gets to actually meet people, after that she can't find a way to hush her mouth! Another weakness would be that sometimes Nailim underestimates herself. However, somehow she always finds the confidence needed to accomplish her goals. It's not easy but no one said it would be.

Ultimately, she wants to finish college and embark in new adventures. Nailim wants to open up a dance

studio, a clinic, and a restaurant! Besides that she is considering working for the FBI in the future. Did someone say Beauty and Brains?

Nailim has been modeling for about six years now and she truly loves it. She has also done several runway shows in the Alabama and Mississippi area. She has been published five times so far but says: "I'm always aiming for more!" Her publications include: Bella & Co. Magazine, Mobile Press Register (twice), Pensacola News Journal, and Habla Hispana Magazine.

In 2014 Nailim randomly participated in a beauty pageant that she recently found out was happening. The pageant was in Biloxi, Mississippi, and there acquired the title of Miss Latina 2014 at the Latin Festival.

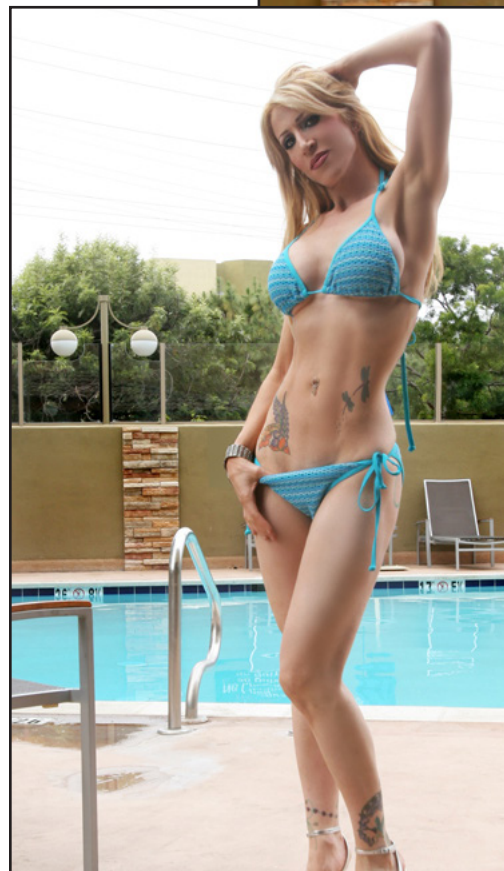

Besides modeling, her favorite hobby is dancing. Nailim has been dancing since she was in her mother's placenta! Her dancing styles include: Latin dances (ex.: salsa, reggaeton, bachata), hip hop, break dancing, belly dancing, Puerto Rican folkloric dances, and some modern. Nailim says, "Dancing is my passion and the only medicine that always cures my problems."

Since she was a little girl, Nailim has always dreamed on winning the Miss Universe crown for Puerto Rico. It might still happen so everybody watch out!

Her heart has been taken since high school... No further information needed! Haha.

# Anton Oparin Photoshoot

Anton Oparin Fashion Editorial Photoshoot on the Luxury Boat was very successful, even weather forecast showing T-Storms and Rain did not happen. Incredible behind the scenes and some REFERENCE photos.

We'd shoot very good colors even sky was cloudy and dripping rain came out few times! Golden sunset for about 30 min at the end of shoot was surprising, but it was a reward for our patience and passion :-)
