I am Piper Rose, a NorthEastern New Jersey and PA border Phillipsburg freelance model. I am compassionate but wild. I am a million laughs. I am striking. I am a backwoods woman. Mother nature runs through my veins. Modeling is my passion.

# Tatiana

I am 20 years old from Calgary Alberta, I am a Fitness Pageant competitor, been doing it for a couple years now. My usual week consists of many trips to the gym training and development for the next competition. I take pride in my appearance and always learning more about fitness

and proper eating habits. I am also a professional Fitness Model, and I love to be in front of the camera. I speak French and English and have French Canadian background. Tatiana is always looking for opportunities to improve her skills, knowledge and experience, as well as to net-

work and to collaborate with other like-minded professionals. Writing, modelling, and videography are just some of the means for Tatiana Sarah to express herself, inspire others and follow her passions of health and well-being.

Hello I am Zizi Zestful, 20 years old and full of excitement. I've been modeling since 2013. I started when a photographer at a school dance asked if I'd be interested in working together and it was like a dream starting to come true.

I've done a fashion show (Hope in the Darkness) to spread the word to stop trafficking and soon after in another show for autism. I just recently got into shows. Before my main thing was print modeling but now I'd like to dabble into multiple things.

Some of my hobbies are caring for my fur babies. There like children to me covered in fur. I also love driving my motorcycle on nice days too, my dads always had me on a bike for as long as I can remember. He's the same man who got me into taekwondo and helped me achieve my second degree blackbelt. I also enjoy roller blading, long boarding, swimming, and reading!
