Hey my name is Stacy Dee, Im a 30 year old blonde hair, green eyed, 5'7 girl who loves all sports. Ive been modeling for the last 8 yearas an long everything about it. I love meeting new people and new amazing photographers to shoot with. Im also a promo model where i go model at different events that i get hired for. Im also a clothing, bikini sponsored model. My favorite thing to shoot in is a bikini, like who doesnt love being able to just be in a bikini all day long, i would love to thank my sponsors for my bikinis "Cexce bikinis", and "Bayou Bikinis"

for their contiuned support in my modeling career and supporting me with the items i need.

I love also modeling Glamour, Implied, Lingerie, Different clothing lines for websites, runways, artist painted shoots etc, Ive been published in many various magazines, but my dream is to shoot in Playboy or Maxium.

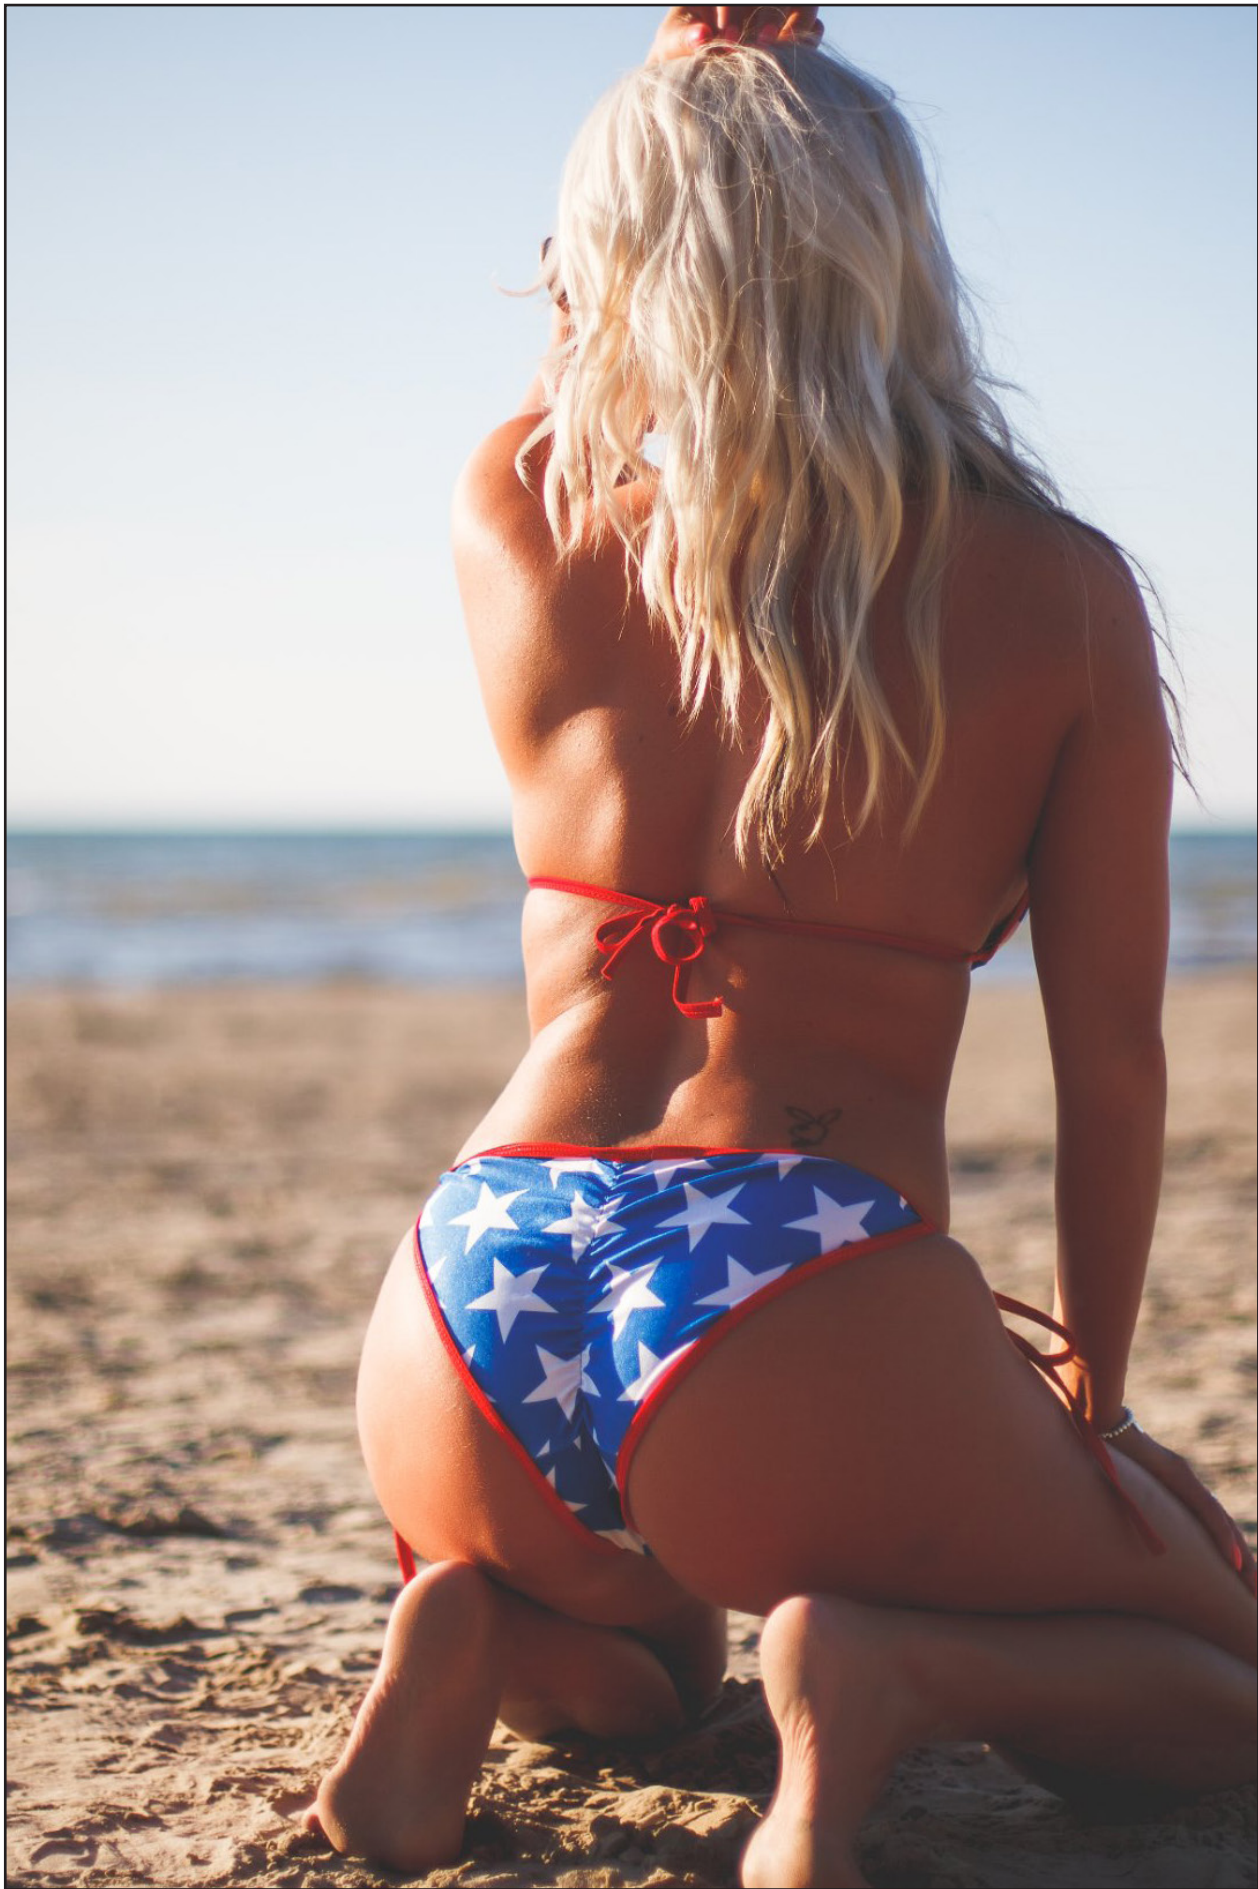

Im definitely a different type of model who loves to be very girly girl perfectionist to then lacing up some skates to go play some competitive

hockey, or throwing on my gear to play lacrosse, then coming out of that competitiveness and getting right back to looking good, i love the reactions on peoples faces as they never believe girly girl/and hockey girl go along.

I love what i do, it was always a dream to model since i was young an will keep going till i accomplish everything that ive ever wanted to be driven to with modeling, i would like to thank everyone for their contiuned support with my modeling career

Limage 5th. Annual waterfall shoot

I have been working with models for over 15 years. I started doing this waterfall shoot 5 years ago by request of one of my models. I picked a wonderful spot in Jim Thorpe Pa. Okono Falls. This location has 3 majestic waterfalls climbing 1 mile up a mountain. This is a very challenging climb for even the youngest and physically fit man or woman. But all of us have a fun time. The last few years I have worked with mostly models new to the business. I schedule a month in advance shoots with each model to train and explain how to model for a shoot such as this.

Most of the models for this shoot except for 2 have never modeled before. I want to thank all the models who worked very hard to make this a very successful shoot.

I'm proud to introduce my own daughter Tiamarie Williams who is an international published curvy model. She has been personally trained by myself for over a year now.

I also want to thank my other experienced model Victoria Bloom for all her help with posing the models and adding a bit of flare to the shoot.

Adding some style to the shoot was a great male addition to the crew Chad Adams.

Bringing some class to our shoot is the lovely Trudy Kikner

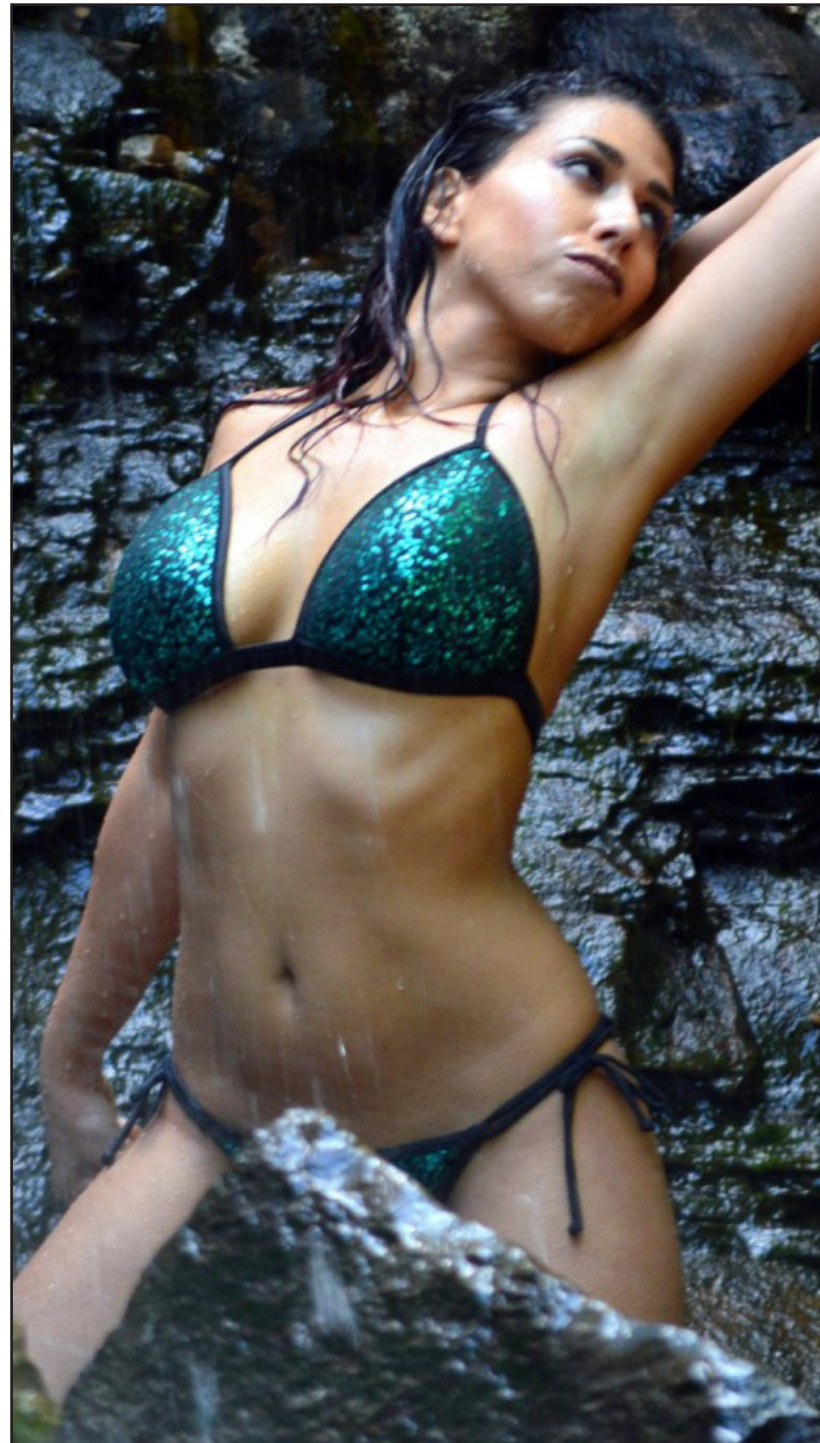

One of my own specially trained and very talented young models Rosalind Farrara

Is a skilled and upcoming model.

Having fun modeling was a 16 year old young lady Eve Perez Who has some serious modeling skills.

At 18 Erika Garcia also has some great promise at becoming a very talented model.
