

BIKINI

A woman with long brown hair, wearing a black one-piece swimsuit with a halter neck and a silver ring detail at the bust, is posing outdoors. She has her arms raised, with one hand behind her head. She is smiling and looking upwards. The background is a blurred natural setting with green foliage and a body of water.

Lizzy Grandmaison

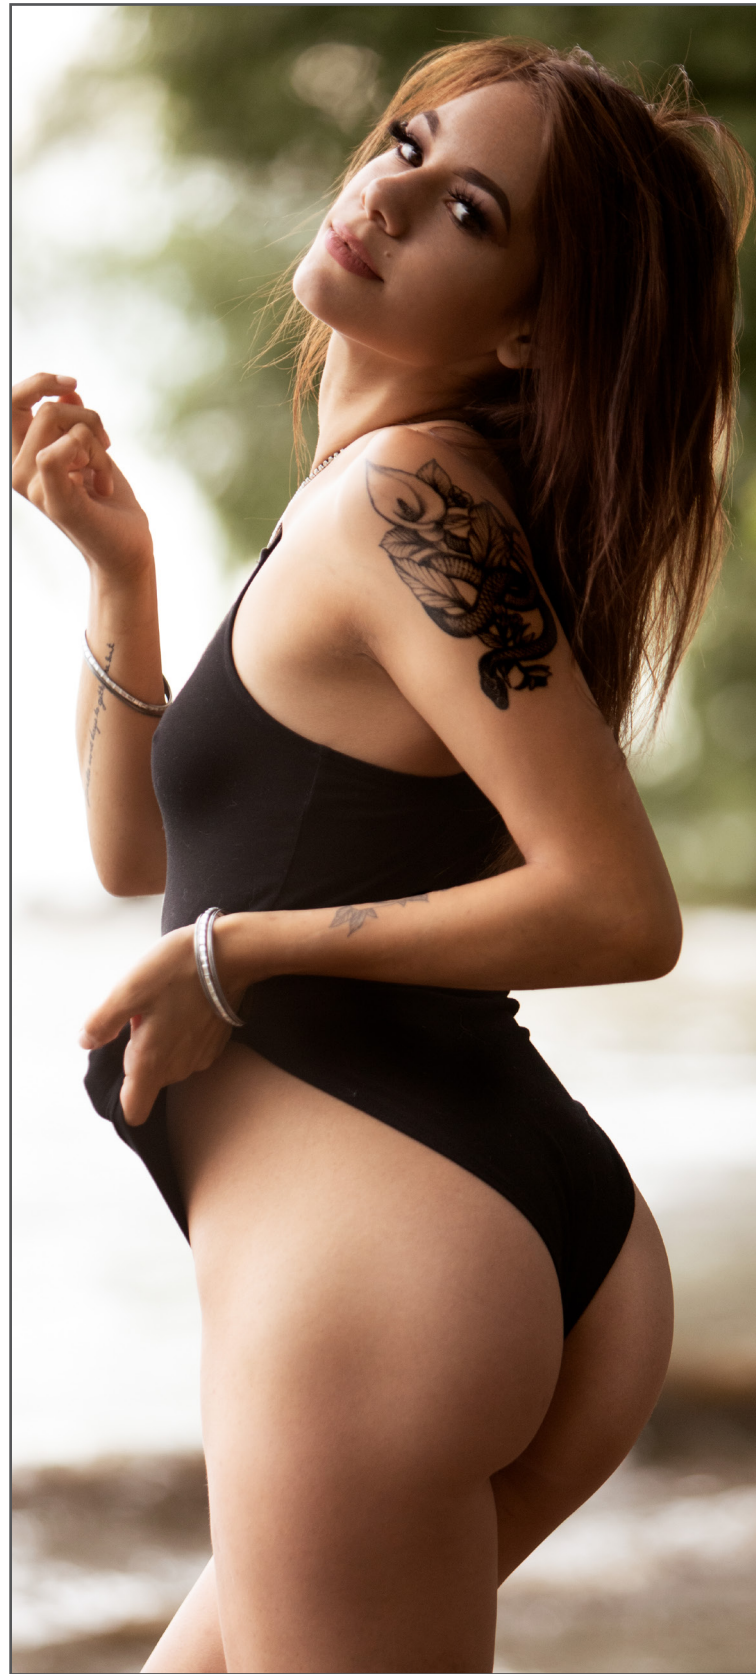

Lizzy Grandmaison is 18 years old and resides in Ontario Canada. Lizzy is a passionate, strong young model who has been modeling for almost three years. Lizzy absolutely loves animals. She loves tattoos and going for long walks. She enjoys a good adventure. Lizzy began modeling when she was 16. Her early modeling experiences allowed Lizzy to focus on the changes she needed to make to overcome how she viewed herself. From feeling very insecure about the way she looked, at first being nervous while modeling. Lizzy learned that it was totally okay to have the jitters and this allowed her to make the transition to feeling

more confident in herself. It also allowed Lizzy to be more outgoing and made her feel completely beautiful and more at ease with herself. Life would be somewhat less exciting without having modeling as a form of personal expression! When she was 16, Lizzy made a goal to get into a magazine by the age of 18 and she did it! Lizzy's first magazine appearance was in June 2020 and she couldn't be more proud of herself and the people who supported her through this amazing journey. Lizzy's biggest goal is to get in the big magazines such as Elle, Vogue etc., and move to California. Perhaps the most challenging aspect of modeling

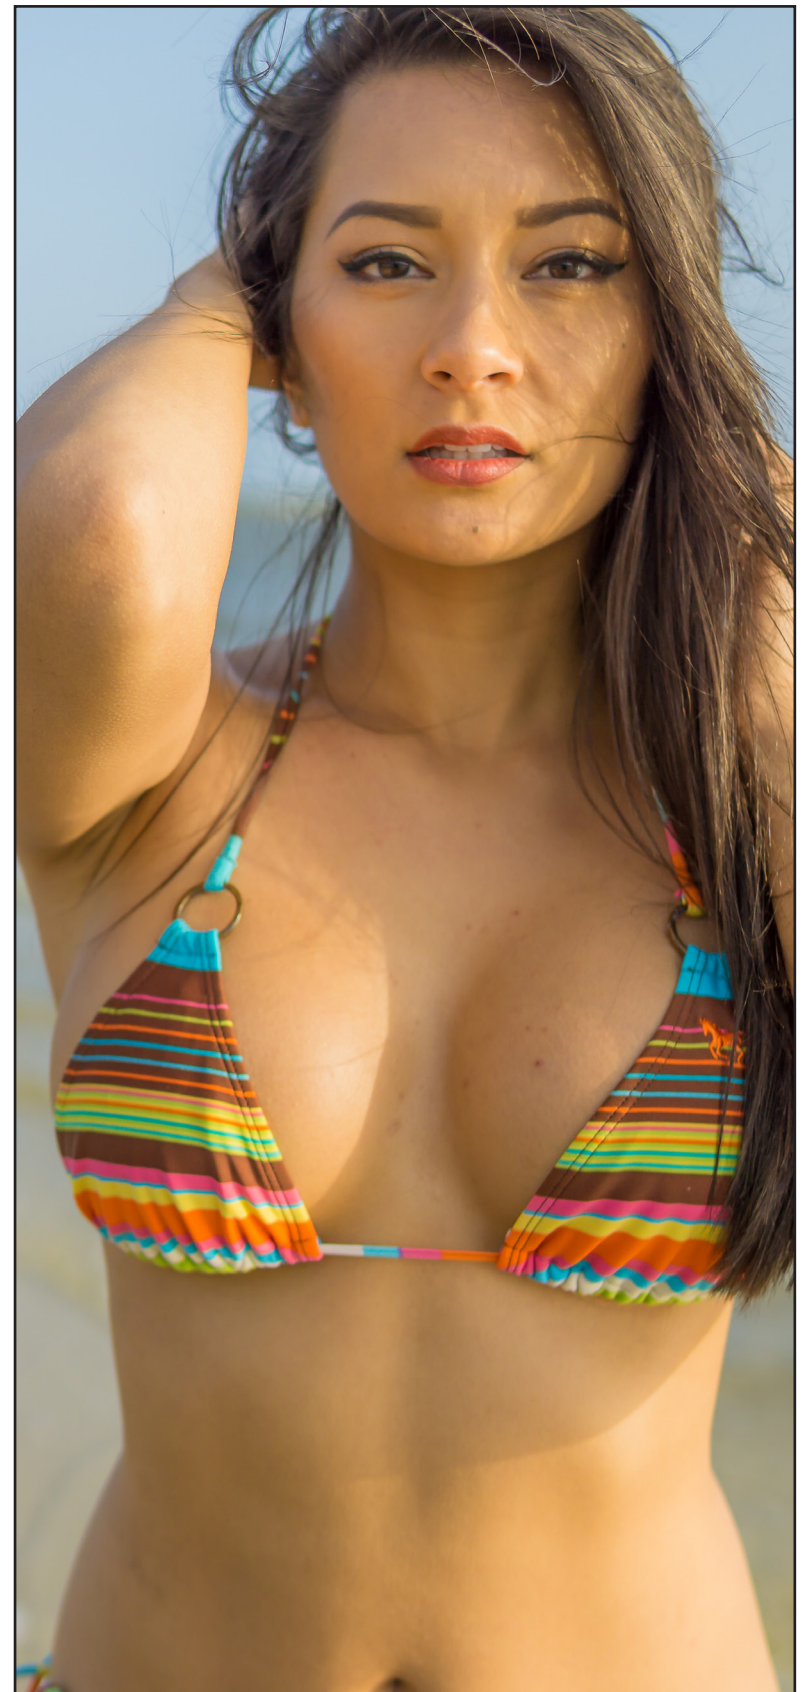

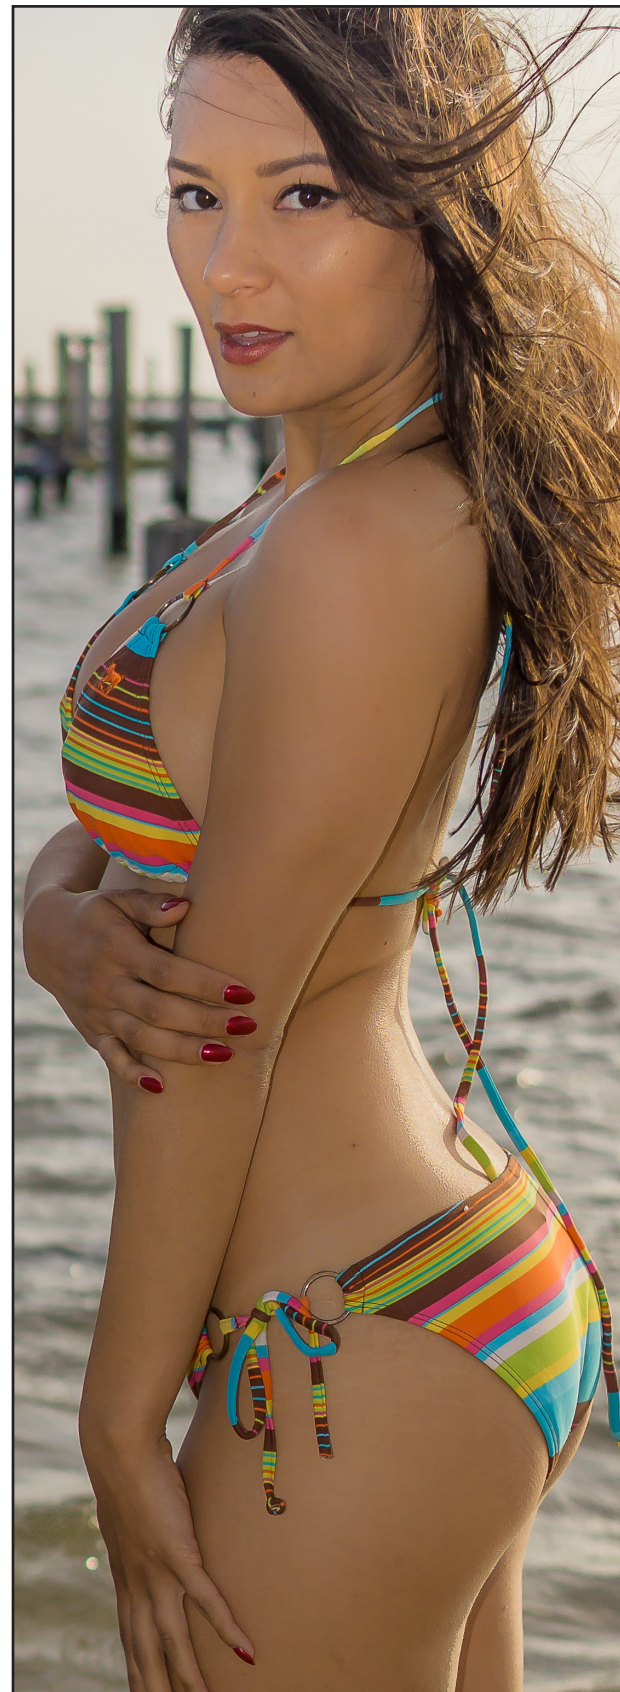

is trying to ignore the negative people who put us down for our modeling aspirations. Lizzy is against Cyberbullying as she has been victim, partly due to her modeling aspirations. Lizzy has learned that much of this is jealousy from others. Another challenge that Lizzy would love to overcome is to add a bit more weight to her arms, legs and glutes. She has been working toward this goal and has had some progress! Lizzy is excited and determined to succeed in modeling and to perfect her dream body. ~
