Berkeley Heights, NJ  
Professional freelance model from the tri-state, experienced in promotion events, workshops and publications

Achievements: Studying ethology to become an animal behaviorist, Carissa has spent most of her life rescuing and rehabilitating exotic animals, primarily reptiles and hopes to help change the way the world views these creatures! She has had to take some time off modeling for neurosurgery to control chronic migraines but still persevered and continued modeling during and after it despite the challenges.
