Destiny Perez

My name is Destiny Perez, and I live in the White Mountains of Arizona. I was born in Colorado and have Cystic Fibrosis. About 2 years ago, a miracle happened and I became a mother to a beautiful little girl. For now I am a stay at home mother, but despite my CF, I still get up every day to care for my family and be the best mother I can be. Very recently I reached out to Michael Kostopoulos about being a model for BabygirlFashions. He has been an amazing photographer, and a wonderful friend to me. Modeling has always been an interest of mine, and Michael has made it possible for me to make those dreams come true. He's inspired me to put myself out there and show the world how beautiful I am. I will always have a friend in my photographer

A close-up photograph of a person's leg in a swimming pool. The leg is in the foreground, partially submerged in clear blue water, with water droplets visible on its skin. In the background, two white plastic lounge chairs are positioned on a pool deck, with a white metal fence behind them. The scene is brightly lit, suggesting a sunny day.

I am an early childhood educator, and single mother of 4. I love crafting and making costumes. I use modeling as my "me time". I hope to one day be on a billboard or magazine cover in one of my self made costumes.
